building communities

Client Update No. 14

29 November 2013

Notice of Issuance of the Second Certificate of Partial Compliance

We are glad to inform you that we have finally secured the 2nd Certificate of Partial Compliance from the City of Harare, on the second batch of the stands that have been deemed fully compliant, under **Permit Number SD/WR/01/12 of 10 April 2012**. The **Partial** Certificate of Compliance is a certificate that identifies a section of the development or stands that are fully serviced and thus approved for occupation and construction of houses.

Therefore, those whose stands are listed below can now submit their building plans to Mabelreign District Office for approval and those who have paid for their stands in full can commence building on their stands. However, those who have not paid for their stands in full but have paid at least half of the purchase price and would want to commence building can approach our Borrowdale Offices for authorization thereof.

Exodus & Company continues to value our relationship and would like to remind those whose accounts are in arrears to pay up.

.....END.....
