3rd Certificate of Partial Compliance on Third Batch Additional (10) Stands

In addition to the 3rd Partial Certificate of Compliance from the City of Harare, on the third batch of fully compliant stands, under **Permit Number SD/WR/01/12 of 10 April 2012**, an additional ten (10) stands have been certified compliant. The Partial Certificate of Compliance is a certificate that identifies a section of the development or stands that are fully serviced and thus approved for occupation and construction of houses.

Accordingly, those whose stands are listed below, and are compliant with the Developers Building Requirements can with immediate effect, submit their building plans to Mabelreign District Office for approval.

The Madokero Team continues to appreciate your support, and would like to kindly remind those whose accounts are not up-to date to rectify them.
