Client Update No. 29

23 October 2014

Delayed Issuance of Compliance Certificate

We have the pleasure to advise that the City of Harare has approved 742 stands; 56 in phase 1 and 686 in phase 2, as compliant three weeks ago. However, we still await the issuance of the Partial Certificate of Compliance in writing so that you will be able to submit your building plans to the City Council for approval. They promised to issue the certificate within the next two weeks.

We will notify you of further developments on this matter. Nevertheless, we encourage you to make your building plans ready for submission to Mabelriegn District Office for approval once we receive the certificate.
