Client Update 54

Increased Incidents of crime in Madokero Estate

We would like to inform all our valued clients that Mabelreign Police has raised concern on the increased incidents of crime in Madokero Estate. This warning calls for residents to take necessary measures to safeguard themselves and their homes from criminal activities.

As your developer, we are concerned with this development and therefore have resumed supporting the police with fuel to do patrols at night in our neighborhood. We are doing this as part of our support to the community and will cover the period to 31 March 2018. We encourage residents to come on board and contribute towards this noble endeavor, to make our community a safe place to live in.

Mabelreign Police would like to meet with residents in Madokero Estate to discuss ways the community can partner the police to curb crime in our community. Therefore, we seek volunteers to work with the police in coordinating crime prevention activities in our community. The volunteers can contact Freida Chapfika at our office or on 0773 709 008.

We also would like to encourage residents to safeguard themselves and their homes from crime. We recommend the following tips:

- Make your home look occupied all the time, and make it difficult to break in.
- Lock all outside doors and secure windows before you leave the house or go to bed. Even if it is for a short time, lock your doors.
- Leave lights on when you go out. If you are going to be away for a length of time, connect some lamps to automatic timers to turn them on in the evening and off during the day.
- Check your locks on doors and windows and replace them with secure

devices as necessary.

- Don't attend to disturbances outside your home at night lest they could be criminals tricking you to open the door and attack you.
- Don't allow strangers in your home.
